### GENERAL LIST OF EXHIBITS

3070	Staplers - closing machines for bags
3350	Volumetric filling machines
3263	Wrapping machines for confectionery products
3030	Wrapping machines for multipacks in cardboard strip
3020	Wrapping machines for single boxes or cases in paper or film

#### Machines for transport packaging

3550	Cardboard crate and tray forming machines
3540	Carton forming machines
3580	Casepacking - forming, filling, closing machines of cardboard boxes
3520	Closing machines using rivets
3600	Crating and crate-unloading machines
3530	Depalletizers
3560	Heatshrink ovens for palletized loads
3570	Hooding - wrapping machines, starting from the reel, of palletized loads
3660	Pallet strapping machine
3640	Palletizers - by cartesian axes
3630	Palletizers - by fixed or mobile base
3620	Palletizers - robots for palletization
3650	Strapping and pack-binding machine
3665	Systems for packaging with polyurethane foam
3610	Taping machines - for sealing boxes with tape
3590	Wraparound casepacking machines
3480	Wrapping machines for packaging grouped in bundles with autoadhesive film
3500	Wrapping machines for packaging grouped in bundles with heatshrink film
3510	Wrapping machines for packaging grouped in bundles with sealable film
3490	Wrapping machines for packaging grouped in bundles with stretch film
3470	Wrapping machines for palletised loads in heatshrink film
3460	Wrapping machines for palletised loads in stretchfilm

#### Labeling, coding and marking systems

3820	Dampening machines
3710	Ink markers
3770	Inkjet printers for macrocharacters
3780	Inkjet printers for microcharacters
3700	Labelers for wrap around labels
3680	Labelers with autoadhesive labels
3690	Labelers with autoadhesive labels without backing
3670	Labelers with glue and paper labels
3720	Laser marking machines
3760	Management software for coders and/or labelers
3740	Print & apply for pallets
3730	Print & apply for parcels
3750	Sleeving machines - labelers with tubular labels
3810	Thermal printers - direct
3790	Thermal transfer printers for labels
3800	Thermal transfer printers on film

#### Auxiliary equipment

3960	Air conveyor belts for bottles
3840	Aligners
3870	Applicators for glue on labels
3860	Applicators for hot melt
3855	Applicators for tear-tape
4037	Bottle sterilizers and rinsers
4039	Cap sterilizers
4020	Check weighers
3900	Counters
3845	Devices for controlling protective atmosphere
3925	Extruders for hot melt and thermoplastic polymers
3830	Feeders
3990	Guns for heatshrink film

3905	Hot geared dosers for cosmetic pastes
4035	In-line control systems
3930	Machines for applying collars
3940	Machines for applying handles on bundles
3935	Machines for applying protective caps
3945	Machines for controlling BFS and plastic bottles
3965	Mechanical conveyor belts for bottles
3927	Melters - heated mixers
3950	Metal detectors
4010	Optical selectors
3980	Pick & Place - manipulators, robots for small packs, products...
3850	Positioning and counting devices
3996	Presses and compactors for waste and trimmings
3992	Presses for waste paper and cardboard
3880	Scales
3890	Scales for pricing
4040	Strap tensioning devices
4030	Systems for accumulation and connection between packaging machines
4050	Turbo-emulsionators
3970	Unscramblers for bottles
4060	Vibrators
3920	Volumetric dosers for liquid or doughy products
3910	Volumetric dosers for products in powder or granule form
4000	X-ray selectors

#### Components, accessories and systems for automation

4357	Accident prevention systems - panels, profiles and accessories
4395	Adhesive and non adhesive industrial fabrics, for thermal or electrical insulation
4359	Antistatic prevention systems
4353	Automatic systems for format change
4210	Barcode readers
4245	Base machines
4123	Bearings
4365	Blower-compressors at low pressure
4350	Brushless and DC servomotors
4075	Cable winders
4380	Cameras
4090	Cammes
4160	Chain guides
4100	Chains
4095	Channels
4250	Coating materials for mechanical components
4110	Components and accessories for vacuum technology
4370	Control panel instruments
4070	Counting equipment (impulse counters, temporizers, totalizers, preselectors, counters)
4270	Electric motors
4130	Electrovalves
4140	Encoders for linear and angular shifts
4200	Industrial knives and blades
4280	Industrial PC
4195	Inverters
4170	Level indicators
4260	Loadbearing measures
4240	Lubricants, oils and greases
4115	Mechanical components
4125	Mechanical safety devices
4065	Oil seals
